

CLASSIFICATION OF MODIFICATIONS

ENGINE BAY

- Any chrome plated, painted or carbon fibre components that were not standard on the car will be classified as a modification, as follows:
 - 1 - 4 items: 1 modification
 - 5 - 8 items: 2 modifications
 - 9 and above: 3 modifications
- Extractors and exhaust tips (set) are each 1 modification if not standard
- Stainless or braided hoses and fittings are 1 modification

EXTERIOR

- If paint is not standard colour for that model: 1 modification
- Murals and decals are not standard for that model: 1 modification
- Wheels not standard for that model: 1 modification
- Any non-standard body kits (e.g. spoiler, etc): 1 modification
- Any update body kits not suited for that year: 1 modification

INTERIOR

- Any non-standard radio/stereo unit: 1 modification
- Any modified steering wheel: 1 modification
- Any non-standard re-upholstery are modifications as follows:
 - 1 - 4 items: 1 modification
 - 5 - 8 items: 2 modifications
 - 9 and above: 3 modifications

GENERAL INFORMATION

- Conversion from left hand to right hand drive is not a modification
- The under body exhaust system will not be judged
- The underneath of the car will not be judged
- Internal engine components will not be judged
- If there is no window sticker, the car will not be judged
- Ensure the bonnet is ajar and rear deck lid (if applicable) is ajar
- Windows must be closed if car is to be judged
- Vehicles must be unlocked to allow for interior judging
- Entrants are required to provide their own drip trays

This is an HONOUR system where the owner of the car states how many modifications it has. However, if on the day a car is deemed to be in the wrong class, NSW Corvettes Unlimited Car Club Inc reserves the right to change the class accordingly.

Neither entrant nor member of the public shall hold NSW Corvettes Unlimited Car Club Inc responsible for any personal injury or vehicle damage as a result of a negligent or erroneous act.

This is meant to be a FUN DAY. Please enjoy yourselves!
