

Come join us in the Blue Mountains, home of Yulefest in Australia.

The Victoria and Albert is an old style Guest House with style and charm of yesteryear but modern conveniences for those who choose them.

There are 4 levels of accommodation ranging from budget to SPA suite. First to book gets the choice of room.

If overnight in the Guest House is not to your liking, just join us for a sumptuous traditional lunch, but be warned that you may be disappointed when it's time to leave the gathering to go home.

#### WHAT TO EXPECT

No TV or Tea/Coffee making in rooms. Instead beautiful parlour style sitting rooms with TV and open access to Tea and Coffee in the common areas.

Wide verandahs overlooking the Blue Mountains for the exclusive use of our club.

Off street parking with scenic backdrop for great car pictures.
