A NATIONAL TRUST & CLASSIC YASS EVENT

HIGHWAY31

HERITAGE RUN

Please join The National Trust (NSW) in conjunction with Classic Yass on a leisurely tour of the former Hume Highway, driving from Old Government House, Parramatta to Cooma Cottage, Yass. There is no competitive element in this event so the only times to consider are the start time and the opening and closing hours of the refreshment stops. Relax and enjoy memories of past travel and reflect on the changes on the route. Perhaps you have an affinity with the old road, travelling it in your youth, or as a child with your parents? The drive will take us back to an earlier time.

As the old highway has historical significance in the development of Australia, it's great to recognise and use as much as practicable of the old road, appreciating the towns now bypassed by newer routes and making use of the facilities in those towns. You will also be welcomed at the National Trust properties along the route. Many organisations including local government bodies, historical societies and NSW Roads and Maritime Services have worked with the National Trust to make this tour possible.

We will leave Parramatta and travel to Yass using as much of the Old Hume Highway 31 as we can, depending on which sections of the road have convenient and defined entry and exit points. From Parramatta we will travel via Liverpool, Narellan, Bargo and Mittagong to Berrima for morning tea and a tour of Harper's Mansion. Then on to Retford Park for a tour and then to Riversdale at Goulbourn for a tour and lunch. From here we will travel via Gunning to Yass to join with the Classic Yass event at Banjo Paterson Park.

On Saturday evening you may join us for a Gala Dinner and for those night owls who love to dance the night away there will be a Twist and Shout 60s Dance party at a separate venue.

There is plenty of accommodation in Yass and surrounding towns with prices ranging from \$18 for caravan park accommodation to \$200 a night for boutique homestead or winery accommodation. Motels range from \$70 a night at the Murrumbateman Country Inn to the Globe Inn at Yass for \$175 a night. Most motels start from under \$100 a night. Some billeting is available with local club members, please enquire on 0407 181 196.

The next morning, we'll have breakfast at the Historic Yass Railway museum from 8am and then the day is yours to enjoy at the historically important Cooma Cottage (home of Hamilton Hume), from 10am. You will join the 300 odd cars from the Classic Yass for a Classic Motor Show, a Vintage Tractor Pull, Antique Farm Machinery and Draft Horse displays, market stalls, music, food and drinks.

After the tour the Yass Valley is a great place for a few days break as is Canberra which is only 45 minutes away.

All participating vehicles, cars, motorcycles and light commercial vehicles, must be registered for use on public roads (historic registration is valid) and they must be of a model manufactured before 1980.

If you would like to be kept up to date about the event or would like to enter, please contact Chris Wain at email c_wain@bigpond.com or by phone on 0407 181 196 or go to the website at www.nationaltrust.org.au/event/highway-31-heritage-run
