

FEEL THE ROAR

Sunday 26 November 2017

The Special Olympics Australia Soar & Roar Festival is a full throttle

ACCELEBRATION

by, and for, the Special Olympics Athletes - powered by the motorsport community at Australia's home of high velocity excitement - Sydney Motorsport Park

JOIN THE CORVETTE TEAM!

Join the **Corvette Team** by giving a Dream Ride to a Special Olympic Athlete starting from Blues Point Reserve (North Sydney) to Sydney Motorsport Park (Eastern Creek) where you will join over 150 prestigious cars in a Lap of Honour around the track.

The Soar & Roar Festival is an all day event held at Sydney Motorsport Park with music, live entertainment, food, sports demonstrations, car & bike displays. Bring your family to this Free Family Fun Community Day! In the afternoon, you will be bringing more smiles to people with an intellectual disability through Dream Rides around the track. You will be part of giving 500 people a Dream Ride!

HOW CAN I GET INVOLVED?

Join the Corvette Team and help fundraise for Special Olympics Australia. In our first year, we raised over \$300,000 to help give more people with an intellectual disability the opportunity to participate in weekly sports.

The highest Corvette Team fundraiser will lead the Corvette Team from North Sydney to Sydney Motorsport Park, with the highest overall fundraising team getting Pole Position to lead 180 cars for the Lap of Honour. The highest fundraiser will be presented on stage with a SOAR & ROAR Trophy.

Our Ambassadors Sandra Sully and Brendan Jones will judge each car brand for the Ambassadors Choice, Best Dressed Car and be presented on stage with a trophy.

Registrations open 15 July at www.soarandroar.com.au
