From the Trea\$ury

Another month has gone and we are well on our way to the 2025 Corvette National Convention (CNC25). As a check to enable funds to be available at a minutes notice and coinciding with the maturation of our Investment Account, I've once again gone to St. Geroge to vary our accounts only to find I can't.

Way back in 17/18 we had issues with a messy account with non-existent people as signatories, cards, etc. etc. active on the account. After a long session at St. G I thought all was resolved. Signatories reduced to Jeff, Mario and myself - YES, Mario was VP for a short time and a signatory and he was still there and St. G misled me to thinking I needed his signature.

Anyway, after another St.G visit it was determined that our account does not, unless I want another separate investment account. My original idea was an Everyday Acct, plus \$25K @ 12 months investment account plus \$15K @ 9 months Invest Account. This way we get best returns on our money and if we need to dip into the 15K it would mature around Christmas in time for any CNC25 expenses. Plus the current bonus of \$1804 interest going into the everyday account was well received. Anyway the end result now is \$25K @ 12 months locked and \$16804.94 has been transferred into the Everyday account.

Everyday account is \$18,437.01

In March we had Raffle prizes VM	\$100.94	PO Box Renewal	\$233.00
Patrice Name Badges	\$215.50	Sproule Trophies (All GM Day)	\$ 13.20
CNC25 Copyset printing	\$253.00		

A total of \$815.64 in debits.

Whilst credits of \$255 from Membership (\$80) renewal from Doug Stevenson, \$100 from new member Ian Delandro and \$75 renewal from Paul Clark.

To the other matters, Pauline was kind enough to supply me a DC for Mario and I then need a special motion within the minutes of our meeting to indicate same, take copies to St. G and remove Mario as a signatory.

In good time I will piece together an Excel book with three sheets, one for sponsors, a second for donations and a third for subscriptions and (nah! 4 sheets), one for all debit monies paid out and with some calcs and formulas we will have a day by day figure of how much out of the club pocket we are. In the meantime all funds will enter and leave our normal St.G account as per usual and I advise all members when dealing with people who wish to pay towards CNC26 to advise them how to do a direct deposit with "CNC25 and their NAME" in the "Ref field". We DON'T want cheques or cash if possible, as these lead to a stressed treasurer.

Regards, NSWCC Treas.

Morning Tea Run Sunday 25 February

We had beautiful weather today for our morning run to Mittagong. Unfortunately Gumnut Patisserie was closed but we found a lovely coffee place called Station Coffee House.

It was nice to catch up with Angie and Geoff and have Pauline's grand-daughter join us for the morning as well.

Nelson Bay 1-3 March.

We had great weather for our annual trip to Nelson Bay. Some of us met on Friday for lunch at the Little Beach Boathouse before heading to our accommodation to check in.

A quick dip in the pool before getting ready to catch up for dinner at our favourite restaurant, Nigronis Italian Restaurant, in the centre of Nelson Bay.

Saturday morning most of us headed down to the bowling club for a game of Bare Foot Bowls and although it was hot, it was great fun and a lot of laughs. After bowls we headed inside for a drink before heading upstairs to Fin & Scales restaurant for lunch.

That afternoon we had some free time to wander around Nelson Bay or go for a swim before meeting up by the poolside for a BBQ and a few drinks Saturday night.

On Sunday morning it was a trip over to the local markets for some of us before we popped into Warren's house to check out his Man Shed, which was mighty impressive, if I do say so myself!

Lunch was a short drive to Saltwater Restaurant in Fingal Beach Surf Club. If you haven't been there you must go, the food is fantastic, but book early as they book out fast.

As some people left us to head home, we had the afternoon to do whatever we liked; some of us relaxed by the pool before walking over to the West Diggers Club for more food that night.

Thank you everyone who came to make this an enjoyable weekend. Thank you also to Warren for letting us come and have a look at your collection, much appreciated.

Breakfast Run Sunday 24 March

What a great turnout for our Breakfast run to Mulgoa on Sunday 24 Mrch. It was lovely to see some old and new faces. Settlers is a beautiful place to have breakfast, always great food and a nice little country drive.

Corvettes Coffee and CODGERS March CRUISING

After a howling southerly during the night the sun smiled upon the Codgers as we gathered at North Entrance to begin our trip.

We were pleased to see Wayne and Wilma, Rob and Kim, Stuart, Debbie and Neil before we set off. Jean took the lead and our local Photographer Col brought up the rear in his Toyvette .

We had a good run up the Old Pacific Highway with Jean setting the correct pace as we passed random cameras and so after turning into the winding road to Murrays Beach we found our way to a new venue for many Codgers to sit among the trees with views over Lake Macquarie from Murrays Café. From here we rolled on to Belmont and then to the Valentine BC where we were booked to have lunch at 'Jessies By the Lake'. We were joined By Pete and Gina and the topless Bugatti sitting on the Corvette 454, Pete Middleton and Di also came so it was a Threepete meeting! Lunch was good, the conversation was good and plans were made for a Saturday morning shed tour and BBQ on 20th April - Check all the usual places for details or Check with Pete 0438 323 744. It must have been a good day as some Codgers were spotted leaving Jessies at almost 4.00pm which is long past afternoon nap time!

Join us next month for more fun.

Cheers
Pete

CODGERS HIT THE ROAD IN 24

Codgers not so young and not so old, hit the road to start the new year in February with the first cruise of the season.

Mark was slumming it in his lovely Mono (and is still looking for his dream replacement Vette} Debbie can now be considered a regular in the gorgeous C8, Barry and his Lady came along in the red C3, Wayne and Wilma came in the Black Beauty C4 and Jean and Pete lead the way to Copacabana for the morning coffee at the Surf Club.

After a good chat we were on the road again heading for Terrigal and the Rugby Club where we were joined by Ed and Ree. The lunch menu and the views were enjoyed by everyone as we overlooked the oval The Skillion and The Haven even though the day was a bit overcast to say the least.

Now that we have started we are looking forward to seeing more cars on the road next month.

Cheers

Pete
