Hello Members

Greetings! I would like to wish you all the best for the coming year.

As we look forward to this year we are already dealing with cancellations of events due to various circumstances surrounding community safety and commercial viability, etc,. While this is most likely going to be ongoing, we can only hope that this year will be better than the previous two years.

I'm looking forward to our March meeting and trust that there are better times ahead for us all as the year unfolds.

Stay safe,

Bob Fitzsimmons.

Corvettes are all we do.

Hi everyone hope you are well.

Happy New Year for 2022 - looking forward to seeing all members again at some point this year.

January saw the All American Day at Macarthur Square Campbelltown. This was a good turnout for Corvettes - well done to all the members who turned out their Corvettes in such sparkling fashion on the day.

Nelsons Bay weekend is another event we have planned, please check your magazine for the information if you are planning to go. It will be a really good weekend as it always is and thankyou to Mandy for organizing it.

Well that's all from me, hoping to catch up with you all at future events.

Cheers **Tony**

Secretary's Report - Belinda

HI CAR CLUBBERS,

Another shaky start to 2022, with fewer restrictions we are now able to get out and about.

The club is starting to put together a 12-month Calendar of our annual events, it will then be easier to insert breakfast and lunch runs.

If you haven't read the forum or facebook, The Nationals Convention in Canberra has been cancelled due to the current uncertainty of COVID and the lack of confirmed attendees, understandably our members and Corvette enthusiasts across the country are apprehensive to commit to an event.

Thank you all for support in 2020 and 2021.

HAPPY NEW YEAR TO YOU ALL.

PERFORMANCE AT YOUR FINGERTIPS

Lynne and I are the very proud owners of our 2008 Jetstream Blue C6 Corvette Z06.

The car was assembled on 29 April 2008 with the LS7 7 litre engine hand-built by Rick Dadd on 14 April 2008.

We found the car on the internet at a Chevy dealer in Florida mid 2011 which was the spec we wanted at the right price.

The car was soon on its journey to Australia arriving at Performax, Gympie, late in 2011. The conversion started January 2012 and we brought the car home in March.

The car's performance is awesome. The stock 505hp from the LS7 has slightly been enhanced with air intake and Akrapovic Titanium exhaust. That power in a car that weighs circa 1,450kg is simply brilliant.

A special point about the C6 Z06 is that I believe it will be the last ever 427 cubic inch combustion engine production car!

We love cruising around in the car and getting away for weekends. Looking forward to doing more of that with the NSW Corvette Club in the near future.

2008 Jetstream Blue C6 Corvette Z06 Richard & Lynne Jagger

On Saturday 22nd January, Michael Stoker organised a low-key run with a couple of Newcastle 'Vette owners.

They left Warner's Bay around 8.30am and headed along the freeway to the Gosford exit to join the Pacific Highway.

Coffee and a Pie at the long-standing 'PIE IN THE SKY' stop in Cowen.

After a fabulous cruise through the winding back road and coffee and a chat with our fellow 'Vette owners, we headed off home.

Nice to be out and about again.

This interesting 'vette also visited Pie in the Sky some time ago!

However, flat-plane cranks aren't great for torque, and it shows here -- the LT6 makes 460 pound-feet compared to the supercharged 6.2-liter V8 in the last-gen Z06, which made 650 lb-ft.

Chevy Corvette Celebrates 70th Birthday with Handsome Special Edition

Even buyers who don't opt for the special edition package will get something to celebrate the sports car's milestone.

by Sean Szymkowski, Jan. 25, 2022

A special car for a special anniversary.

The Chevrolet Corvette turns 70 years old for the 2023 model year, and the brand is throwing a little shindig to celebrate America's sports car. On Monday, the Corvette 70th Anniversary Edition bowed with a new package, marking the vehicle's long run and significance in US car culture.

The package comes with two exterior color options: White Pearl Metallic Tricoat or Carbon Flash Metallic. From there, buyers can opt for adding Satin Gray stripes to the white cars, or Satin Black stripes to the black cars. Unique wheels with commemorative wheel caps and an edge stripe finished in red provide a splash of color, as do the red brake calipers. Pop the hood to reveal the midmounted engine and, surprise, more red. The engine cover features a lovely red finish, as well.

2023 Chevy Corvette Z06 70th Anniversary Edition - Black or white?

The red accents continue inside and find their way to the interior stitching, seat belts and the microfiber suede accents on the steering wheel and seats. The rest of the cockpit is done up in ceramic-colored upholstery. Buyers can also choose GT2 or Competition seats for their special Corvette. A 70th Anniversary logo makes its way to numerous points, including the seats, sill plates and more. Buyers also receive a special luggage set to match the car.

The package will be available for the Corvette Stingray 3LT and the Corvette 3LZ trims. However, those who purchase any 2023 Corvette will also be part of the celebrations. Every car will include a commemorative 70th anniversary interior plaque in the cockpit and a graphic on the lower portion of the rear window.

Before production of the 2023 Corvette, Chevy will auction off the first 70th Anniversary Edition at Barrett-Jackson in Scottsdale this coming weekend. All proceeds will benefit Operation Homefront.

Just a quick report, since there has been no activity within the club.

Our Investment Account remains locked at \$41,307.77. This will remain locked until much later this year.

Our second Account remains on \$1,240.79. This covers our static accounts, our Business Cheque Account plus is our everyday and opened at 1st November:

<u>Opens</u>	<u>Credits</u>	<u>Debits</u>	<u>Closing</u>
\$6,408.60	\$1,711.00	\$2,759.00	\$5,360.60

Most credits were for the Christmas Party whilst \$2,739 was payment to the RSL Club (plus \$20 account fee). Also we had one late renewal plus two more new memberships (Daniel Lopez and Mr. De Grazia).

Therefore December opened with:
