Hi everyone, hope you are all well,

GM day was on the 7th May at the Fire Museum which Paul and I attended. The weather was wet, very cold, and it hailed, then the sun came out! so it was a mixed bag weather wise.

Considering the conditions there were 13 corvettes on show, with the following good results.

Congratulations goes to: **Charlie Micallef for Corvette of the day**
1st runner-up went to Alan Dures and 2nd runner-up went to Robert Harding

Thankyou to all who attended representing our club.

Cheers

Cathy

CODGERS CRUISING IN APRIL SHOWERS

The skies were grey and phone calls from the south and the north reported heavy showers and some sensible people decided to stay home but others wanted to go out to play and so we did.

Colin and Pat came across Sydney in the C8. Stuart put up his garage door and it wasn't raining so out came the C4. Peter and Cherie came through heavy rain on the way south from Medowie with not too much water getting in and the rest of us rolled on to the rest area at the Ourimbah Interchange under grey skies.

From here it was only a stone's throw to the Ourimbah branch of the Heatherbrae Pie shop where there was hot coffee and other delicious treats to be enjoyed.

Then it started to pour making it too wet for getting back into the cars so a bit more chat than usual was the order of the day.

At last the rain eased and we bolted for the cars and the convoy took some back roads along the way to Gorokan and the Wallarah Bay Recreation Club where we had a table booked for lunch. Normally the view south from the dining room gives a great view down the lake to Wayne and Wilma's holiday house and even a glimpse to the Cox residence which is in that direction too but there was only grey mist to be seen on this day.

Some of the Boys have suggested to me that we should make the Pie Shop a lunch stop for a cruise sometime but what would the non pie-eaters do?

It seems the day turned out better than we could have expected and everyone enjoyed their day out despite the cars getting a good soaking.

Cheers **Pete**

Crowdy Head Rattle Trap

A small contingent of Club members attended the Crowdy Head Rattle Trap, not too far from Taree, on Saturday 6 May 2023.

Organised by the Drag-ens Hot Rod Club, the event was very well attended with awesome hot rods on show in the car park and a big collection of rods running on the beach. The event is very much dependent on tide, but what a great event on a superb day in a stunning location.

It was extra special to watch one of the NSW Corvette Club members Ted Wrigg with his Y Block powered 27T Roadster up the beach. Sadly, the car was over fuelling and only managed one run. And It was great catching up with Ted and Carol, Colin and Patricia Cefai and Justin and Kelly Mills.

See you all at the Rattle Trap next year!

Yes members it's that time of the year once again, where I harangue you for your consideration of early payment of fees for the 2023/24 financial year. In reality by the time you read this, post 1st June, your dues are now Due. The "warning" above is directed at our lucky members who have "Club Plates". These members know that the plates are only legal when their rego payment runs concurrent with their club membership. A renewal is \$75.00, please remember to place your "Surname" in the Reference field and if space left over, your Membership # - from your M'ship card. The "Ref field" is limited in character size - therefore it is imperative you place YOUR "Surname" in this field before anything else. Any funds that I can't identify means YOU ARE NOT RENEWED, ergo neither is your "H plate rego" - but the good thing is that the "Uncle Doug's Lobster Dinner Account" will be increased by those un-identifiable funds!

If paying by "Cheque" and that cheque is in a company or in anothers name, then please print YOUR Name on the REAR of the cheque. Oh! for an eazy life.

CRUISING THE CENTRAL COAST HINTERLAND

There was a great improvement in the weather from last month and our crew was happy to be out in the sunshine.

The first part of the cruise was a big nostalgia trip for some who had not been on this part of the former highway for many years. It was also a surprise that the Corrugated Café was very close to the site of the Oak Milkbar where many of us used to call in about 30 or 40 years ago. Peat's Ridge is much quieter than it was then except that there are a lot of trucks carting sand and rock from the quarries in the area.

The rural setting is at its best during autumn with lots of gardens and trees in full colour.

After coffee we turned north again to run through Mangrove Mountain and Kulnura before dropping down Bumble Hill into the Yarralong Valley where there are plenty of gardens and houses to check out making a very pleasant drive before we reached the Rusty Udder Tavern on the outskirts of Wyong. Here we had a great round table so we all sat facing one another. There was plenty of conversation and as on most days when Corvette drivers get together there were new things to be learnt.

Once again we all enjoyed being able to find some roads that were not too crowded and away from the traffic lights.

Don't forget to keep the 3rd Thursday of the month free for our next cruise. The details will be put together soon

Cheers **Pete 0438 323 744**
