MESSAGE FROM THE President

G'day Corvetters,

The run to port Macquarie was again a great success. Thanks to the Jaggise, and Mandy . Again let me say if you haven't been then do not miss out on next years event.

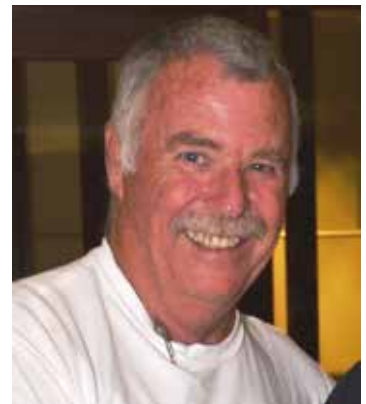

The Nationals are looming up quickly, so if you haven't booked then please do. So another great time is waiting for you.

The Club Show and Shine will be held at Carrington, 90 Werombi Road, Grasmere on the 10th (Saturday) December 2022. Gates will open at 0800hrs Predication will be at 1400hrs. Please arrive EARLY as we have to park all the cars and then judge them.

We will need many volunteers so please don't leave it to the 'usuals' to jump in and help make this day as successful as possible.

Corvette trivia:

The glass in the 1981 Corvette was made lighter as was the transverse leaf spring (which was made of fibreglass) - all this to gain better fuel consumption.

Hello Everyone,

Mandy organised a fabulous lunch run on 2nd October at The Georges River Sailing Club at Sans Souci. We had quite a few members attend this luncheon including our new members with their C8 Corvette, such a beautiful vette. Welcome Patricia and Colin to our Club.

The Port Macquarie weekend went ahead with no major weather problems, a good time was had by all. Big thankyou to Richard and Lynne Jaggar for organising a fabulous time. Don't forget to put this on your calendar for next year.

Don't forget our Christmas party on the 26th November at Panorama house at Bulli Tops. If you haven't already booked, please contact Mandy asap, check our Facebook page and this magazine for more details.

Cheers everyone,

Cathy

Secretary's Report - Belinda

HI CAR CLUBBERS,

As we move closer to saying good-bye to 2022, I look back on what a great group of people we have in our club.

The new location for the club meetings seems to be serving its purpose and we are getting a steady number of members attending.

Our membership currently stands at 197 financial members. Great to see some online membership requests coming through. Shows we are getting click traffic on the website.

Flowers were sent to Patricia Whittingham on-behalf of the club.

Graham Whittingham passed away on the 16th October 2022, he was 69 years old.

Graham had been a member of the club for 10 years.

CODGERS AT MOONEY MOONEY

After turning to go to The Water View Café we find the road completely blocked.

With major roadworks & construction it was back to detour signs for a more scenic route up around the school and back down the side of the school, then along to the Café.

Everyone negotiated very well - 4 `vettes and a couple of shopping carts.

Settling into our morning coffees with a visit from a very friendly Kookaburra, and after killing some pieces of bacon and waiting for the right moment to swoop down onto Rob's bacon & egg roll, the bird snares the egg!

After a little tug-of-war, Rob still had some egg on his roll.

Once the entertainment was over we proceeded at a very leisurely pace behind the leader of the pack, Stu, and his is where we missed Jean & Pete.

But all arrived safe & sound in light rain. We were seated inside thankfully as the rains came and made it uncomfortable for those seated outside but with blinds down.

After some great lunch meals and talk, we departed in the wet.

Looking forward to our last run of the year to Patonga on the 17th.

Col.

Hi Everyone,

I have included some photos of our lunch run on 2nd October to the Georges River 16F Sailing Club.

It was lovely to meet up with our new members, Colin & Patricia at Prestons McDonalds.

From there we travelled via the Hume Highway - A28 and A3 to the Georges River Sailing Club at Sandringham. So glad everyone remembered to put their clocks forward.

Thank you to everyone who attended - it was a beautiful day.

2023 Gold Rush Nationals

Source: City of Ballarat

Corvettes of Melbourne, Vic Vettes and Surfcoast Corvettes will host the first Corvette Nationals since Queensland in 2019, due to the enduring Covid 19 pandemic. It is important that we recognise and thank the South Australian and Canberra Clubs for their ongoing efforts attempting to hold the Nationals in the face of insurmountable odds.

Taking place in historic Ballarat, the **2023 Gold Rush Corvette Nationals** will run from **24-27 March**. This event has been moved away from Easter to avoid congestion and make our event more affordable for attendees.

All rooms have been secured at **Mercure Ballarat Hotel and Convention Centre**, which will transform into the Corvette HQ during the event. The campus-style facility means your cherished Corvettes can be parked immediately adjacent to, or in close proximity to your room, with additional security provided. The good news is we've been able to negotiate a fantastic rate for these Nationals so we advise you to get your bookings in early – otherwise, overflow accommodation will be available at a nearby hotel.

Spruce up your Corvettes, pack your favourite convention- and nationals- themed shirts, dig out your club regalia, pack your gold dancing shoes for the Gala dinner, and make your way to Ballarat for fun with the Corvette family. We look forward to seeing many familiar faces and to meeting the growing number of new enthusiasts.

We have a tentative date of the 10th Dec.

- Soar & Roar – Dec 2022

BREAK 8.05 PM

General Business

At the National Convention, every year, a meeting with club Presidents from all states. This upcoming convention, discussions will be centered around the current structure and timing of the National Convention. Points of discussion:

- Format
- Moving to every 2 years as it is getting harder to get sponsorship.
- Smaller clubs, it is a financial burden
- Move away from Easter, as prices are exaggerated at time of year.

Club secretary will be putting together a survey email out to our members for feedback to take to the meeting next year.

RAFFLE – \$90.00

Paul Tullock, Belinda Ford, Peter Eldren, Wayne Rowley, Ian Hurley, Doug Ford, Les Sorm

From the Trea\$ury

Another month has come and gone with very little financial movements, however, the renewal notification for our investment account has come in.

We have \$41,411.04 commenced on 25th Sep'22 at a rate of 2.73%pa for a term of six months, maturing on 25th Mar'23. I opted for only six (6) months as sources suggest rates will continue upwards for nine (9) thru twelve (12) months at which time there is the possibility that the world's economy will flat line and the Interest rates will once again drop. So hopefully at the end of this term we can re-invest at a higher rate for twelve months, thus if the rates drop we will be well positioned to reap the wind. Of course as my family motto says "all things subject to change" to which I add "without further notice". At any rate we will be close to OUR "Corvette Nationals" by then and I would imagine that some funds will be required for up front deposits etc to allow us to secure "whatever" is decided by the organisers.

Renewals from Taylor, McKee, R.Thomas, Moore, Magyar with New applicants Barry, Alcock, Cooper and Mr Colin Cefai who's wasting no time in putting in his money for the EofY (Xmas) Party.

Everyday Acct opens \$6,158.90 with \$1,405.00 rec'd and Debits of \$1,041.18. (\$880 mag, \$141.18 APO, and \$20 Acct fee). So the account closes at \$6,522.72. But in Oct we have started to receive Xmas bookings along with the covering funds.

On another subject: NSW Corvette Nationals.

I'm sure our leader will get onto this subject, but in the meantime all members need to ask yourself, what do "I" want to see done for our Nationals, yes I know everyone wants Displays & Awards Day, What about Harbour Cruise (day/nite), Races, Driving runs where our attendees can become lost etc etc. As soon as we think 100 cars with a possible 200 guests, then the problems start - SO! if "YOU" have even an inkling of an idea, please please let us know, I promise I won't laugh, at least straight away.

In the past we have had Sydney x2 and Woolongong, maybe Newcastle, Bathurst or the Hunter could be viable propositions. I would imagine as we come out of Covid, businesses will be picking up their game and services/staffing etc would once again be up to par, so please have a think and dont be afraid to stand up at general business time and let us know. At this stage we are looking for "IDEA's".

Treas.
